EXPERIENCE

Freelance Web Development   **May - July 2025**
Self-Employed

Worked with a client to deliver a professional and informational website for their new travel agency business.

Retail Sales Associate   **June 2016 - January 2021**
Menards   **Sheboygan, WI**

- Adaptability in a fast paced work environment
- Developed communication skills
- Trained new employees
- Took pride in accuracy of work with data entry and inventory

Intern Programmer   **Fall 2018**
ByteNoize Digital Marketing   **Sheboygan, WI**

As part of this internship, we worked closely with clients to define their expectations, utilize creativity, and meet project deadlines for delivering an e-commerce website for the client to market their own products.

Junior Programmer   **Fall 2014**
Management Information Office   **Oshkosh, WI**

As part of a team with other programmers, we worked to maintain the Student Portal website for University of Wisconsin Oshkosh. Learned a common workplace codebase as well as creating, testing, and publishing JavaScript based projects.

EDUCATION
