EXPERIENCE

Menards, Sheboygan — *Stocking and Inventory*

June 2016 - January 2021

Through four and a half years at Menards I established a rigid work ethic, as well as developed my communication skills with other employees and customers. I also gained experience in training new employees and took pride in the accuracy of my work with data recording and entry.

ByteNoize Digital Marketing, Sheboygan — *Intern Programmer*

Fall 2018

As part of this internship I worked closely with clients to define their expectations, utilize creativity, and meet project deadlines for delivering an E-Commerce website for the client to market their own products.

Management Information Office, Oshkosh — *Junior Programmer*

Fall 2014

As part of a team with other programmers, we worked to maintain the Student Portal website for UW Oshkosh. I learned a common workplace codebase as well as creating, testing, and publishing JavaScript based projects.

EDUCATION

Lakeshore Technical College, WI — *Associate in Applied Science - IT Web and Software Development*

September 2016 - December 2018

At Lakeshore Technical College I established a foundation for my skills as a Web developer, as well as soft skills that are necessary in the workplace.

University of Wisconsin Coding Bootcamp, Online — *Degree*

November 2022 - May 2023

In this 24-week Coding Bootcamp I learned about a broad range of modern essentials in Full Stack Web Development. I completed several personal and team projects that are available on my Portfolio.
